2016 Annual Report

A Note from Lake Logan's New Executive Director...

Dear Ambassadors of Lake Logan,

I've had trouble starting this introductory letter for the 2016 Annual Report because it begs the question, "How do I write an annual report for a year I wasn't involved in the organization?" As you know, I started as executive director at Lake Logan in June 2017. I feel immeasurably lucky to have been called to this place at this time. In addition to giving you an update on major accomplishments and the financial picture of 2016, this report focuses on recognizing all of our wonderful ambassadors for your stewardship of this beautiful slice of God's creation. I am so looking forward to working with each of you to continue the good work you have started here. It is my vision that when anyone visits Lake Logan, they will know that God is real and present; they will experience His Kingdom here.

Here are just a few of the noteworthy accomplishments of 2016:

- Paid off the debt on the property! That's a huge one and deserves to go first as it frees up resources for future ministry. Lake Logan is now mortgage-free. Alleluia!
- Hosted over 5000 guests, including 452 summer campers at Camp Henry.
- Welcomed a new bishop. Bishop José is incredibly passionate about camp and conference ministry and dedicated to the success of Lake Logan and Camp Henry.
- Changed the corporate name of Lake Logan Episcopal Center to Lake Logan Conference Center and Campy Henry, Inc. in order to more fully recognize the partnership of the conference center and camp. With that change, the Board was also re-organized, and the members of the new Board along with the staff who served from October-December 2016 are listed below.

- Received a generous gift from the estate of Buck Cannon, which enabled us to pave the entryway to the property.
- Completed remodel of the laundry building, thanks to a grant from St. Phillips's, Brevard.
- Began plans for the inaugural Cold Mountain Music Festival, which was successfully held in June 2017.

It is because of you, Lake Logan's ambassadors, that we are able to serve Christ by welcoming all to experience reconciliation with God, one another, and all creation. Thank you for your dedication to this holy space. You sustain Lake Logan with your time, your financial support, your creative ideas, your skills at work, your kind words in the community, and your prayers. I am immensely grateful. If I may be of service to you, please reach out to me.

Faithfully,

Lauri

2016 Financial Picture—UNAUDITED

Thanks to Diocesan and Donor support, 2016 came close to ending in the black. Balancing the budget often comes at the expense of deferred maintenance and not adequately rewarding staff for the good work they do. We will look for ways to increase revenue so that we can provide high quality service, maintain our historic property, build a reserve, pay off the line of credit, and competitively pay our hard-working and dedicated staff.
