

# 2018

## Annual Report

Lake Logan Conference Center serves Christ by welcoming all generations to experience restoration and reconciliation with God, one another, and all creation.

The mission of Camp Henry is to offer every child an experience of the Living God in an environment of unconditional love, imagination, and engagement.

# Accomplishments

Hosted close to **6000 people and 190 groups and events**, including 10 arts groups, 32 Episcopal groups, 15 other church groups, 9 fishing groups, 14 Lake Logan groups/programs, 64 personal retreats, 10 reunions and family gatherings, 9 schools, 1 wedding, 12 nonprofits, 14 other organizations, and Camp Henry.

Continued a tradition of sharing God's love, acceptance, and joy with a record **471 campers at Campy Henry** ranging in age from 4-75, with our second year of Family Camp.

Instituted the season membership program allowing **41 local families** the opportunity to use Lake Logan for recreation throughout the year.

Initiated **Wilderness Wanderings**, a backpacking program for adults, through a United Thank Offering grant.

Experimented with several new program options for adults—some successful and some not. Successes included **Artists in Residence, Healthy and Holy, Dismantling Racism, and Advent Retreat with Lauren Winner**.

Started two new Camp Henry staff positions - Program Coordinator and Nursing Assistant - to better serve campers and **promote spiritual and professional development among young people serving as summer staff**.

Worked on ways to **connect Camp Henry and the Conference Center** more fully through staff training and social events and cross-training Camp Henry staff in other areas.

Filled **Camp Henry's Leadership, Adventure, and Mission Program** for high school youth beyond capacity, allowing young people to do good work through their days of service, as they partnered with local outreach programs, such as the Grace Church in the Mountains Community Garden, ABCCM, and Lord's Acre in Asheville.

Completed several **renovation, building, and maintenance projects**, including painting Ash, Chestnut, and Hemlock; putting a new roof on the dorms; paving more of the roadway; and construction of a new stage on the field.

Began a **partnership with St. Philip's, Brevard**, to renovate Walnut Cabin, with hopes it will serve as a model for other churches and organizations.

Received the **Business of the Month Award** from the Haywood County Chamber of Commerce in August.

Provided **\$80,000 in scholarship support** to Camp Henry campers. Over half of our campers receive financial support to attend camp!

## What do these numbers mean?

LLCC ended 2018 in the black. The \$113K surplus was due in large part to two one-time gifts which have been used for capital improvement and debt reduction. Over half our income comes from user fees and 14% from Camp Henry. Our largest expense is staff salary, wages, and benefits, with buildings, grounds, utilities as the next highest expense.

## What do these numbers mean?

Camp Henry's \$18K surplus was put into reserves. Half of Campy Henry's revenue is from registration fees. Diocesan support, grants, and charitable giving supplement 43% of the cost to operate the summer camp. This support strengthens Camp Henry's commitment to a generous scholarship program to enable all children to attend camp. Half of Camp Henry's expense covers lodging, activity space, and meals at Lake Logan, and 1/3 covers staff salaries and benefits.

# 2018 Cold Mountain Music Festival

The 2nd Annual Cold Mountain Music Festival featured the sounds of Shovels and Rope, Mandolin Orange, River Whyless, The Steel Wheels, Jon Stickley Trio, Tyler Ramsey, Dangermuffin, The Broadcast, and Kenny George Band. About 1200 people gathered for great music, delicious food, local craft beer, and family fun. In addition to raising funds for the ministries of Lake Logan and Camp Henry, the festival increased awareness for Lake Logan and Camp Henry.

When I serve Lake Logan guests, I want them to feel welcome, see the beauty, and know the peace.

Janie, Housekeeping Staff

(Our son) feels like he is his true self when he's there - like Camp Henry is his true home. At Camp Henry, he has forged friendships that will last a lifetime, gained confidence, improved his social skills, and drawn closer to God. This year, he will return to Camp Henry as a counselor - his dream job. We firmly believe that Camp Henry is a "thin place" where the presence of God is magnified, and we will be forever grateful for the role that Camp Henry has had in shaping the life of our son.

Stephanie Lindsay, Camper Parent

(At Lake Logan) the whole group is immersed in God's creation, turning our attention immediately away from ourselves to the greater world.

The Rev. Ross Jones, Trailblazer

Camp Henry is a place where life-long friends are made through vulnerability and being the truest version of yourself. It's a place where I learn that I am worthy of God's love and how to share that love with others. And I am lucky enough to continue to share that unconditional love with campers and in my daily work as a youth missionary, all thanks to Camp Henry.

Jenna Sharrits, Camp Henry Assistant Director

One of my favorite Lake Logan experiences is getting up before sunrise to take in the still beauty that hangs over the misty playing field and the lake.

Harper Family Reunion Guest

The beauty, peace and serenity of God's creation continue to nurture my soul and make me want to return any time I can.

Marcia Millar, Trailblazer

Lake Logan is sacred space. A place where people encounter God in the midst of creation. It is not only a beautiful landscape where we meet the holy in the natural setting, but in the relationships we form with one another.

The Rt. Rev. José A McLoughlin, Episcopal Diocese of Western North Carolina

What people are saying...

Greetings friends,

2018 was a great year for Lake Logan and Camp Henry—you'll see that when you read our list of accomplishments. And I hope you will read between the lines and know that YOU are such a huge part of what has made our accomplishments possible. Every guest, volunteer, and donor reminds us of the way God lives and breathes and moves through Lake Logan. Our supporters are part of everything that we are and all that we do.

You may recall that at the end of 2017, our Board developed a three-year strategic plan that will allow this thin place to be a "sustainable and thriving ministry of the Diocese of Western North Carolina." In 2018, we took many steps to implement strategies supporting each priority of the plan. Part of that strategic plan includes developing a master plan to help meet the growing needs of our guests, summer campers, and community. You will see a lot more this year as our Master Planning Committee goes out to ask for your feedback on how you see Lake Logan now and where you see this ministry taking us in the future.

I thank God every day that I get to work in this beautiful place and experience the fruits of labor from many who have come before me—and many who stand with me now as volunteers and donors. From the personal retreatants who come seeking solitude and renewal and leave feeling refreshed and ready to face the world, to the summer campers whose songs of praise and laughter can be heard bouncing through the valley and off the lake, to the cancer survivors and military veterans who seek healing in the waters that flow through these mountains, to the families that gather together to reconnect with each other in a place that is disconnected from everyday stress—God is working at Lake Logan to bring restoration and reconciliation.

And I thank you for your part in this place.

Faithfully,

Lauri SoJourney, Lake Logan Conference Center Executive Director

Dear members of the Lake Logan and Camp Henry Family,

To sum up our year in a few words feels almost impossible, so I guess I will use the words most often used by the campers...Camp Henry was AWESOME and LOVING! One might even say that it was fantastic, which is appropriate as our theme for this summer was "Fantastic Beasts." With the guidance of this theme, during every session we dove into beautiful conversations and activities that encouraged us to look beyond the surface, examine our fears, appreciate differences, and extend the unconditional love of God to all.

The Camp Henry staff also stayed quite true to the theme of the summer, because they were truly fantastic beasts! They took on late nights and early mornings with more zest and energy than I have ever seen from a staff. And with compassion and safety first in their minds, the staff created a summer of adventure and love.

I frequently get asked what's my favorite part about Camp Henry, and always I answer, "The campers!" 2018 was no exception. The campers were amazing, willing to share their anxieties and extend their hands to each other in community and strength.

And 2018 was a year for of seconds for Camp Henry, with many campers taking advantage of our "Bridge It" program, allowing them to come for two weeks instead of one. Additionally, it was our second year for Family Camp, as well as our second year for a few new staff positions, and of course we were honored to help host the Second Annual Cold Mountain Music Festival, which lasted for two days! With all these repeats, we are "cooking with gas." Having learned from our first go-rounds, we saw immense growth in all these events and positions. We also saw this growth in the maintenance and care of our amazing property, from landscaping to new roofs. Thank you to all the gifts, the volunteers, and individuals who have worked tirelessly to make these improvements possible.

All this success would not be possible without the support of our community. Thank you so much for your support and passion for the mission of Camp Henry!

Hope to see you this summer!

Kathryn Florack, Camp Henry Director
