

Campership

It has been the policy of Camp Henry from its inception in 1959 that any child who wants to come and grow in Christ through this experience will be able to do so. This is only possible through the support of the Episcopal Diocese of Western North Carolina and through the partnership with various churches, agencies, and communities who provide partial and full camperships to many deserving and yet financially disadvantaged children and youth each year. Every dollar in our campership fund counts. Please be considerate when applying for a campership.

INSTRUCTIONS:

1. Have you already applied the **GENERAL SUBSIDY** to your camper's registration fee?

*For the upcoming 2020 sessions, we have revamped our pricing structure to better reflect the true cost of camp. However, to help ensure that cost is not prohibitive and because of our donors, we are able to offer a partial **subsidy**.

*This option is available during the registration process and open to all.

*If you did NOT select this option and your camper is already registered, please contact the office to have the subsidy applied to your account.

2. If you are requesting additional funding, please proceed with this application form.

3. There are TWO sections to the below application:

- a. The first form is for campers whose congregation is contributing to their camper fee.
- b. The second is for those who need assistance beyond what their congregation can offer or do not attend a congregation.

A "standard" scholarship for an Episcopal youth is made up of three parts: 1/3 Parish Contribution, 1/3 Camp Henry contribution, 1/3 Family contribution (the subsidy is to be applied to the family's contribution) of the FULL PRICE.

EXAMPLE: If "Susan" is going to the 5th-8th Grade session, the rate is \$705; once the subsidy is applied, the rate is \$595. If Susan applies for additional funding from her parish and camp, the parish and camp portion is 1/3 of the standard rate of \$705, which would come to \$235 for both the parish and the camp. The family contribution would be \$125 (\$235 minus the subsidy).

The idea behind this is shared dedication and responsibility. No child will be turned away from Camp Henry because of their financial situation. And the subsidy goes to the family.

If the camper is not affiliated with an Episcopal church, scholarship money is still available. Please check the box in the first section indicating no church and complete the second half of the application.

Please be sure to note your individual camper's fee when determining contribution amounts, as session costs vary depending on program, duration, and registration cut-offs.

Please turn in completed forms on or before June 15, 2020. Forms can be scanned and emailed to director@camphenry.net or mailed to:
